PROFESSIONAL PROFILE

Freelance Video Editor and content creator working since 2020, with responsibility for creative concepts, photography and video editing, plus voice-over on selected projects. Experience includes a 2022–2026 collaboration with Al Dahdar Jewelry and a two-month engagement with Hayat FM. Produces visual content across advertising, jewelry, healthcare, construction and hospitality, combining editing skills with an understanding of the full production process.

PROFESSIONAL EXPERIENCE

Freelance Video Editor and Content Creator

2020–Present | Independent projects and client collaborations

- Handled projects from concept development and photography through to video editing and finished visual content.
- Selected footage, built sequences and shaped pacing and narrative flow to communicate each project’s message.
- Provided voice-over on selected projects alongside visual production, adapting content to different clients and sectors.
